historically black colleges and universities play a vital role in the education of african americans in the united states for nearly 150 years these institutions have trained the leadership of the black community graduating the nation s african american teachers doctors lawyers and scientists despite the wealth of new research on black colleges there are topics that remain untouched and accomplishments that go unnoticed by the scholarly community the chapters in this edited volume focus on topics that deserve further attention and that will push students scholars policymakers and black college administrators to reexamine their perspectives on and perceptions of black colleges

s s mcclure was one of america s greatest editors and publishers in the lively era of muckraking reform he is remembered for mcclure s magazine which early in the twentieth century published the works of famous authors and social reformers he was also the mentor of young willa cather after leaving her position at mcclure s in 1912 cather ghosted this graceful portrait of her former boss

the key to the door frames and highlights the stories of some of the first black students at the

university of virginia this inspiring account of resilience and transformation offers a diversity of experiences and perspectives through first person narratives of black students during the university of virginia s era of incremental desegregation the authors relate what life was like before enrolling during their time at the university and after graduation in addition to these personal accounts the volume includes a historical overview of african americans at the university from its earliest slaves and free black employees through its first black applicant student admission graduate and faculty appointments on to its progress and challenges in the twenty first century including essays from graduates of the schools of law medicine engineering and education the key to the door a candid and long overdue account of african american experiences at the university of virginia

assesses the influence of family and school on african american students college decision making processes

to their disadvantage few americans and few in higher education know much about the successes of historically black colleges and universities how is it that historically black colleges graduate so many low income and academically poorly prepared students how do they manage to do so well with students as they are even when adopting open admissions policies in this volume contributors from a wide spectrum of black colleges offer insights and examples of the policies and practice such as retention strategies co curricular activities and approaches to mentoring which underpin their disproportionate success with populations that too often fail in other institutions this book also challenges the myth that these colleges are segregated institutions and that teachers of color are essential to minority student success hbcus employ large numbers of non black faculty who demonstrate the ability to facilitate the success of african american students this book offers valuable lessons for faculty faculty developers student affairs personnel and administrators in the wider higher education community lessons that are all the more urgent as they face a growing racially diverse student population while for hbcus themselves this book reaffirms the importance of their mission today it also raises issues they must address to maintain the edge they have achieved contributors pamela g arrington delbert baker susan baker stanley f battle t j bryan terrolyn p carter ronnie l collins samuel dubois cook elaine johnson copeland marcela a copes quiester craig lawrence a davis jr frances c gordon frank w hale jr b denise hawkins karen a holbrook james e hunter frank l matthews henry ponder anne s pruit logan talbert o shaw orlando l taylor w eric thomas m rick turner mervyn a warren charles v willie james g wingate

an 8 volume reference set containing over 4 000 entries written by distinguished scholars the african american national biography is the most significant and expansive compilation of black lives in print today

the agony of education is about the life experience of african american students attending a historically white university based on seventy seven interviews conducted with black students and parents concerning their experiences with one state university as well as published and unpublished studies of the black experience at state universities at large this study captures the painful choices and agonizing dilemmas at the heart of the decisions african americans must make about higher education

what is the purpose of black colleges why do black colleges continue to exist are black colleges necessary historically black colleges and universities hbcus are at the same time the least studied and the least understood institutions of higher education and the most maligned and the most endangered this unique study examines the mission of four year hbcus from the perspective of the campus president as a foundation for understanding the relevance and role of these institutions this is the first research to focus on the role of presidents of black colleges is based on extensive

interviews with fifteen presidents and takes into particular account the type of campus environments in which they operate unlike community colleges women's colleges men's colleges and hispanic serving colleges black colleges are racially identifiable institutions they also vary significantly in among other characteristics size control public or private religious affiliation gender composition and available resources although united in the historic mission of educating african americans each black college or university has its own identity and set of educational objectives the book examines how presidents define and implement mission in the context of their campuses view the challenges they face and confront the factors that promote or hinder implementation of their missions

this book provides the first national study of this intense and challenging struggle which disrupted and refashioned institutions in almost every state it also illuminates the context for one of the most transformative educational movements in american history through a history of black higher education and black student activism before 1965

a comprehensive look at historically black colleges and universities from their origins to the present time including the individuals and groups involved in creating that history

nearly a century's worth of scurlock photographs combine to form a searing portrait of black washington in all its guises its challenges and its victories its dignity and its determination beginning in the early twentieth century and continuing into the 1990s addison scurlock followed by his sons robert and george used their cameras to document and celebrate a community unique in the world and a stronghold in the history and culture of the nation's capital through photographs of formal weddings elegant cotillions ballet studios and quiet family life the scurlocks revealed a world in which the black middle class refused to be defined or held captive by discrimination from its home on the vibrant u street corridor the scurlock studio gave us indelible images of leaders and luminaries of high society and working class of washingtonians at work and at play in photograph after photograph the scurlocks captured an optimism and resiliency seldom seen in mainstream depictions of segregated society luminaries such as duke ellington ralph bunche mary

mcleod bethune alain locke martin luther king jr and lois mailou jones testify to the intellectual and cultural vibrancy that was unique to washington and an inspiration to the nation photographs of a peoples drugstore protest and marian anderson s easter morning concert at the lincoln memorial remind us that the struggle for equality in black washington began long before the civil rights movement of the 1960s offering a rich lens into our past the scurlock studio and black washington is a powerful trigger of personal and historical memory
