been as well as where we're going throughout the fourteenth edition of racial and ethnic groups author richard t schaefer helps students view race and ethnic relations in a socio historical context so they can understand the past and best shape the future the text's student friendly framework is packed with engaging first person accounts that illuminate the changing dynamics of the u s population and reveal the stories behind these changes incorporating the latest statistics and data racial and ethnic groups enables educators to stay current in this ever changing area of study the publisher

when originally published in norway ethnic groups and boundaries marked the transition to a new era of ethnic studies today this much cited classic is regarded as the seminal volume from which stems much current anthropological thinking about ethnicity ethnic groups and boundaries opens with barth's invaluable thirty page essay that introduces students to important theoretical issues in the analysis of ethnic groups following is a collection of seven essays the results of a symposium involving a small group of scandinavian social anthropologists intended to illustrate the application of barth's analytical viewpoints to different sides of the problems of polyethnic organization in various ethnographic areas including norway sudan ethiopia mexico afghanistan and laos

this volume is one of the products of a study of american ethnic groups that was conducted at the urban institute from 1972 to 1975 page vii includes bibliographies and index

first published in 1985 ethnic groups and the state examines the effects of the state its official ideologies its structural forms and its specific policies upon the formation of ethnic identity it is argued that the formation of ethnic identity is viewed as a process that involves three sets of struggles one takes place within the ethnic group itself for control over its material and symbolic resources the second takes place between ethnic groups as a competition for rights privileges and available resources the third takes place between the state and the groups that dominate it on the one hand and the population that inhabits its territory on the other this issue is viewed both from a historical and contemporary political standpoint and the impact of ethnic issues in a wide range of cultures is assessed this book will be of interest to students of history sociology political science and ethnic studies

this text discusses key debates in the sociology of ethnicity and race arguing that ethnicity is culturally expressed and politically and economically contextualised the historical trajectories of slavery colonialism and nation state formation have seen ethnicities and racisms develop along some parallel and some quite different lines drawing on examples from all around the globe including britain continental europe the usa hawaii and malaysia this book offers a theoretically informed account of a major sociological issue in a truly international and comparative perspective

the publication of fredrik barth's ethnic groups and boundaries marked a milestone in the conceptualization of ethnicity and ethnic groups and opened a new field of enquiry in the social scientific study of ethnicity ethnic groups and boundaries today a legacy of fifty years demonstrates the enduring significance of the work identifying its shortcomings and showcasing the state of the art today fifty years after the publication of the groundbreaking original bringing together a team of leading contributors all of whom have been inspired by barth's theory and have made significant

contributions of their own to the theorisation and research of ethnicity this volume assesses the theoretical approach presented in ethnic groups and boundaries both in the context of its time and with the hindsight of the developments in the social sciences since then it emphasizes the legacy of the original text and determines its significance whilst identifying and elaborating on the main lines of the subsequent developments of the concept of ethnicity that were influenced by ethnic groups and boundaries but that have since developed and superseded the original as such it will appeal to scholars across the social sciences with interests in the concept and study of ethnicity

deals with ethnicity in modern society

urban ethnic groups frequently are confronted by residential segregation discrimination xenophobia and conflict however ethnic diversity has also enriched the urban scene with a variety of languages religions businesses and cultural activities in this volume distinguished scholars present analyses of ethnic population change in twelve urban areas chicago los angeles sydney melbourne paris london amsterdam the ruhr conurbation vienna milan madrid johannesburg durban and singapore ethnicity reveals fundamental commonalities in ethnic community dynamics as well as significant differences from place to place it will be important for scholars and students of human geography sociology anthropology and history

in the 21st century new ethnic groups are forming faster than ever before and the role of race and ethnicity studies has evolved in response to this from policy issues around housing and crime through to debates about asylum and media representations sociologists must encounter and explore a vast range of issues in this ever changing field this book gives an overview of the most important topics that affect the making of race and ethnic relations in contemporary societies it goes beyond general definitions to explain exactly how and what these issues and debates can tell us about modern society using research and statistics to shed light on the most cutting edge issues the book takes each major topic in turn and helps readers to think through race and ethnicity on the basis of the most recent thinking in the field each chapter explains a range of theoretical and conceptual perspectives whilst approaching complex ideas in an accessible and insightful way written and edited by recognized experts in the field race and ethnicity in the 21st century will be an essential point of reference for researchers and practitioners and key reading for all students of race and ethnicity
